

# Tuning Temperance & Being Unleashed

SEI OCTOBER SALON

Samuel + Erasmus institute  
ideas • conversation • friendship

## AN OCTOBER SALON

Join us as we begin activities for this next academic year. Of course the evening will include the woven mix of fine conversation, wine, smoke (of one sort and another), and friends.

As a prime ingredient in that mix, we'll explore that exuberant, hard-to-hold idea called *temperance*.

Looking forward to seeing you!

Jeff

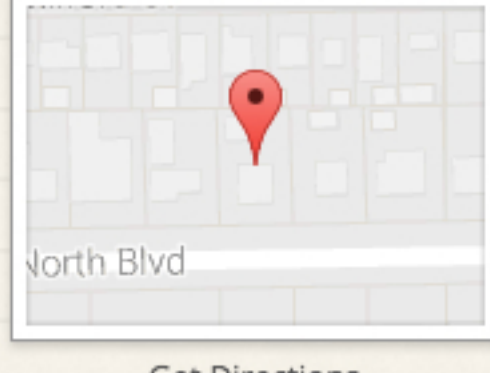

*Copies of the materials will be provided.*

## TINKERINGS IN TEMPERANCE...

*...without temperantia the stream of the innermost human will-to-be would overflow destructively beyond all bounds, it would lose its direction and never reach the sea of perfection. Yet temperantia is not itself the stream. But it is the shore, the banks...*

*Unchaste abandon and the self-surrender of the soul to the world of sensuality paralyzes the primordial powers of the moral person: the ability to perceive, in silence, the call of reality, and to make, in the retreat of this silence, the decision appropriate to the concrete situation of concrete action.*

*Cheerfulness of heart is the infallible token that reveals the inner genuineness of discipline as selfless preservation of the self.*
